

Take the time to find out what's going on.

You are invited to attend the U.S. Environmental Protection Agency's (EPA) information meeting. We'll talk about putting a Community Advisory Group together for the Riverfront Superfund site in New Haven, Missouri.

The Community Advisory Group will:

- review technical documents
- comment on the documents
- interact with EPA

Riverfront Site

Please join us:

Tuesday, March 27, 2001

7:00 p.m. - 9 p.m.

Trinity Lutheran Church

Fellowship Hall

(Downstairs)

9521 Highway 100

New Haven, Missouri
